At Flinders, it's all about your global career.

Flinders offers a range of flexible degrees covering areas such as criminology, laws, forensics and cybersecurity. Combine your degree to pursue multiple passions and broaden your job prospects. Graduate with the skills and knowledge to take your place in an ever-changing world.

Flinders University acknowledges the Traditional Owners and Custodians of the lands on which its campuses are located. These are the Traditional Lands of the Arrente, Dagoman, First Nations of the South East, First Peoples of the River Murray & Mallee region, Jawoyn, Kurna, Larrakia, Ngadjuri, Ngarrindjeri, Raminjieri, Warumungu, Wardaman and Yolngu people. We honour their Elders past, present and emerging.

Law and criminology courses are available at both Bedford Park and our new City Campus at Festival Plaza.

"Flinders opened doors for me that I never would have been able to open on my own. I was given so many opportunities and made so many professional connections by attending a uni that had such a strong focus on practical experiences."

Marielle Intveld
Bachelor of Laws and Legal Practice

Criminology degrees

Study criminology for a career that prevents crime and drives social justice, from developing public policy to careers in counselling, rehabilitation, the justice system, intelligence services and more.

The impacts of cybercrime, terrorism, corruption and other criminal activities are global. Studying criminology at Flinders could see you begin a career that could take you anywhere in the world.

Diploma in Criminology

The Undergraduate Diploma in Criminology offers a comprehensive understanding of crime, justice systems, and societal impacts to elevate your career or explore criminology for the first time.

- Upskill with new criminology skills or take your first step into a career in the justice system.
- The diploma can be taken at either the Flinders city campus or at the Bedford Park campus, with flexibility for part-time, full-time and online study.
- Once you complete four topics and obtain your diploma, you can transition into second year of the Bachelor of Criminology.

Bachelor of Criminology

Bachelor of Criminology (Honours)

Build a career exploring the world of crime. Worldwide, criminology jobs are in demand, with employment opportunities in the field of criminology, intelligence analysis, community development, network security and cybersecurity.

- Study practical topics to equip you for employment and to ensure you graduate work-ready with practical work experience opportunities.
- You'll have the opportunity to learn from world-class researchers and develop high-level research and analytical skills.
- Industry-engaged – use the technical skills you've learnt at university and apply them as a consultant to a business as part of an industry project.

Bachelor of Criminology (Cybersecurity)

With a focus on technology, this criminology specialisation explores the causes of crime with an aim to identify solutions to address its impact on people and infrastructures, and to minimise the social and psychological harms it can cause.

- Learn from South Australia's largest and most experienced Criminology department.
- Gain technology-focused knowledge to set you apart in a world where cybercrime is increasingly prevalent.
- Connect with leaders: our powerful industry partnerships span government bodies, public and private organisations, and other universities across Australia and overseas.

Bedford Park

Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

Tonsley

Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies.

Our campuses

Flinders’ Adelaide campuses include our main Bedford Park campus and Flinders at Tonsley, which features close links to industry. Our stunning new city campus is situated at Festival Plaza on North Terrace, right beside the Adelaide Railway Station.

Take a virtual tour of Flinders University and explore our amazing locations.

Getting to Flinders

Flinders is well connected to Adelaide by bus and train. The Flinders Railway Line gets you from our new city campus to Tonsley in a super-fast 20 minutes, or to Bedford Park in just 22 minutes.

Explore all our transport options.

Flinders University’s cutting-edge, vertical campus offers a new way of learning in the heart of the city. Flinders’ city campus at Festival Plaza has been designed for flexibility, collaboration and immersion. Here, students will gain the knowledge and practical skills they need to confidently step into their careers.

Spanning eight levels, with multiple state-of-the-art teaching spaces, Flinders’ new city campus is designed for innovative and adaptable learning, catering to an extensive range of study programs. Every floor has dedicated spaces for students to come together, learn from industry experts and be inspired by a world of learning possibilities.

Applying to study

How to apply

Applying to study at Flinders is easy, but there are some steps you'll need to follow. Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC).

You'll find application dates and details at:

satac.edu.au

Before you apply

Visit the course page you're interested in via the QR codes in this brochure, or via flinders.edu.au/study to make sure you have all the information and admission criteria you need, such as prerequisites and assumed knowledge.

You may also want to explore alternative pathways to your degree or combined degrees.

After you've applied

Once you've received an offer to a course, visit

students.flinders.edu.au/my-course/enrolment to enrol in your subject/topics.

Fees and charges

As an undergraduate student your course is Commonwealth supported provided you're an eligible Australian citizen, New Zealand citizen or permanent resident. This means that your course fees are shared between the Australian government and you. You may then choose to apply for a HECS-HELP loan to pay your student contribution amount. Find out more at:
